- Dream in Glitter
- Nail Art Brush
- Top Coat
- OPI LED Light
- Expert Touch Nail Wipe
- N.A.S 99 Cleansing Solution
- ProSpa Nail & Cuticle Oil

STEP BY STEPS

Begin by applying 1 coat of **GelColor Base Coat** to properly prepped nails.

Cure for 30 seconds in **OPI LED Light**.

- 1 | Apply 2-3 coats of **Let's Be Friends!** depending on desired opacity. Cure each coat for 30 seconds. Remove the tacky residue with a **Nail Wipe** saturated in **N.A.S. 99**.

Use a nail art brush and **All About the Bows**, paint your bow by starting with the middle of the bow, then drawing a "c-like" shape on the left and a backwards "c-like" shape on the right to create the ribbons. Flash cure for 2-3 seconds in between. Fill in the ribbons and cure for 30 seconds.

- 3 | With **Black Onyx** or **Lady in Black** and a nail art brush, outline the bow and flash cure for 2-3 seconds.

Repeat by painting additional bow outlines with a nail art brush and **Black Onyx** or **Lady in Black**, flash curing as needed. Then using the same shade, outline the frame of the nail and cure for 30 seconds.

- 5 | Add **Dream in Glitter** to the red bow using a nail art brush and cure for 30 seconds.

Finish with 1 coat of **GelColor Top Coat**.

Cure for 30 seconds in **OPI LED Light**. Cleanse nails with a **Nail Wipe** saturated with **N.A.S. 99**. Add a drop of **Cuticle Oil** to each nail and massage in.
