

# OPI Powder Perfection

## Manicure Services

BY

Experience your favorite OPI shades in a completely new way, with **OPI POWDER PERFECTION**. This dipping powder system creates a protective overlay on natural nails, while providing added strength and durability. The odor-free formula dries almost instantly, without the need to cure under an LED or UV light. Each service, listed below, includes proper nail prep and the application technique of your choice for 2+ weeks of wear.
